

The image shows the interior of a large, ornate room, likely a historic building. On the left, there is a long wooden counter with a light-colored top and a base featuring square paneling. Above the counter, there are several empty wooden shelves. The walls are decorated with arched alcoves and intricate moldings. A large, ornate chandelier hangs from the ceiling. In the background, there is a doorway and a window. The floor is made of dark wood.

LOCATION & SITUATION

The Griffin Arcade is a Grade II listed building which was historically used as a coaching inn and has been transformed into a shopping arcade situated directly off Kingston's ancient market square making it the third largest shopping centre in greater London with an estimated 1.4 million sq. ft of retail space.

The Griffin Arcade faces the junction of the High Street and Eden Street with pedestrian access leading to Charter Quay and the Thames riverside walk.

DESCRIPTION

Unit 7 comprises the former Griffin Inn Assembly Rooms which have been converted into a high-end bar premises on the first floor and accessed via ground floor stepped access. The kitchen area is situated at first floor level and there is a mezzanine floor.

Other traders within the Griffin Arcade and close by include Mimosa coffee shop, Poor Boys restaurant, Megans and The Rose Theatre.
